My second concept

Showin full tags in the oXygen author vierby default

You can setup oXygen to always show full tags when you open a topic in Authot view.

This option is available from the **Options > Preferences** menu.

1. Optional: Go to **Editor > Edit Mode > Author**
2. Select the appropriate value under **Tags > Tags display mode**
 - **Full Tags with Attributes**
 - **Full Tags**

Every time you open a new topic in the author view; Full tags are shown.
